

The music accompanying this video
consists of extracts from my own compositions

opus 1: **τασσοκafonie**

and

opus 2: **Abacadabacus**

see [http://henkreints.nl/hr\\$opera](http://henkreints.nl/hr$opera)

Henk Reints

The first soundtrack starts with the final chords of

Abraçadabacus part 1,

which is seamlessly followed by part 2:

ζωδιακός κύκλος

(zōidiakòs kýklos)

The second track contains

τασοτκαfonie

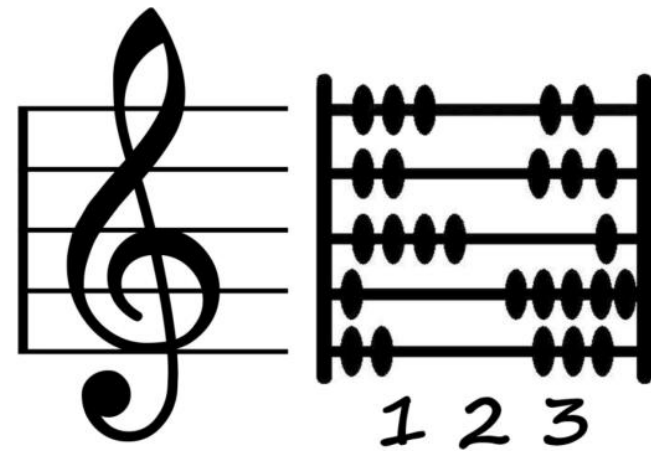

part π: Liberté, honnêteté, respect

part 8½: L'universo in espansione dal nulla al tutto

part -1: Finale minimale: c'est ça!

Please note:
the links in this video are just pixels of it,
they do nothing when clicked.

But if you manually type:
<http://henk-reints.nl/UQ>
you'll find some working links.
